# Allergens

---

Do you have a food allergy or intolerance?  
We provide allergen information on the  
14 major allergens.

Please speak with your event manager / sales executive, and details of allergens in any of our dishes can be provided for your consideration.

At your event there will be an Allergen Folder located at all buffet stations on your event catering floor to make delegates aware of all allergens contained in your chosen menu and help them make an informed decision.

Please note, as with every catering establishment, there is always a potential for cross-contamination to occur. While we endeavour to prevent this as much as possible, the nature of an allergen means we cannot fully guarantee that cross-contamination may not have occurred. We encourage our customers with food allergies and intolerances to let our staff know, so we can better cater for them. We are happy to provide further detail on ingredients and how they were handled to allow you make an informed decision as to whether or not the food is suitable for you.
